

Transfer of insurance cover application form

Save time, go online!

Use this form to transfer existing insurance cover with another super fund or provider to UniSuper. If you already have a UniSuper account, the quickest way to transfer your existing insurance cover to UniSuper is by logging into your online account at unisuper.com.au.

You shouldn't cancel your existing cover until you're notified in writing that your application has been accepted by the Insurer. If your application is accepted, you will need to ensure your account has sufficient funds to pay the required premiums.

Before you complete this form, please read the *Insurance in your super* document at unisuper.com.au/pds to ensure that you understand the full terms and conditions that applies to insurance provided through UniSuper and the details regarding the options available under this application.

You should consider seeking advice from a qualified financial adviser before making a decision on your insurance. Our insurance calculator, available at unisuper.com.au/insurance-calculator, can help you determine what the right level of cover may look like for you.

IMPORTANT INFORMATION

To be eligible to transfer your cover, you must be aged less than 65, complete all sections of this form and satisfy the eligibility check. If your application to transfer cover is successful, it will constitute an election to keep your insurance cover, even if you're not receiving regular contributions into your account.

TYPES OF COVER YOU CAN TRANSFER TO UNISUPER

Death and Total & Permanent Disablement (TPD)

- transfer up to \$2 million for Death cover and \$2 million for TPD cover
- if accepted, the transferred cover is provided in addition to any existing Death and/or TPD cover you have with us, subject to your total TPD cover not exceeding \$3 million
- if you're eligible for default cover but haven't yet received it because you're under age 25 or your account balance is below \$6,000, transferring cover doesn't affect your eligibility to later receive default cover. However, your default cover will be provided as fixed cover
- transferred cover is available as fixed cover only. If you have existing unitised Death and/or TPD cover, your entire Death and/or TPD cover will automatically be converted to an equivalent amount of fixed cover after the transfer, rounded up to the nearest \$1,000
- you can convert your fixed cover to unitised cover after the transfer if you choose to.

Income Protection

- transfer up to \$29,900 per month for Income Protection cover (equivalent to 69 units), provided it isn't greater than 85% of your monthly income
- if your benefit period with the other super fund or life insurer can't be matched with a benefit period available at UniSuper or the benefit period under your existing Income Protection cover with UniSuper (as applicable), the next shortest benefit period available will apply
- if your waiting period with the other super fund or life insurer can't be matched with a waiting period at UniSuper or the waiting period under your existing Income Protection cover with UniSuper (as applicable), the next longest waiting period available will apply
- if you're aged 63 or over, you're not eligible for a 'To Age 65' benefit period
- Personal Account members with an occupation classification rating of 'Heavy Manual' or 'Special Risk' are only eligible for a benefit period of two years
- Defined Benefit Division (DBD) members aren't eligible for Income Protection cover.

INFORMATION FROM THE INSURER (METLIFE) – THE DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

When you apply for life insurance, we will ask you a number of questions.

Our questions will be clear and specific. They will be about things such as your health and medical history, occupation, income, lifestyle, pastimes, and other insurance.

The answers given in response to our questions are very important. We use them to decide if we can provide cover to you and, if we can, the terms of the cover and the premium we will charge.

Care must be taken to answer all questions we ask as part of your insurance application honestly and accurately.

Otherwise, you may not be able to rely on your insurance when it's needed the most.

THE DUTY TO TAKE REASONABLE CARE

When applying for insurance, there is a duty to take reasonable care not to make a misrepresentation.

A misrepresentation could be made if an answer is given that is false, only partially true, or that does not fairly reflect the truth. This means when answering our questions, you should respond fully, honestly and accurately.

The duty to take reasonable care not to make a misrepresentation applies any time you answer our questions as part of an initial application for insurance, an application to extend or make changes to existing insurance, or an application to reinstate insurance.

You are responsible for all answers given, even if someone assists you with your application.

We may later investigate the answers given in your application, including at the time of a claim.

CONSEQUENCES OF NOT COMPLYING WITH THE DUTY

If there is a failure to comply with the duty to take reasonable care not to make a misrepresentation, it can have serious consequences for your insurance, such as those explained below:

POTENTIAL CONSEQUENCES	ADDITIONAL EXPLANATION	IMPACT ON CLAIMS
Your cover being avoided	This means your cover will be treated as if it never existed	Any claim that has been made will not be payable
The amount of your cover being changed	Your cover level could be reduced	If a claim has been made, a lower benefit may be payable
The terms of your cover being changed	We could, for example, add an exclusion to your cover meaning claims for certain events will not be payable	If a claim has been made for an event that is now excluded, it will not be payable

If we believe there has been a breach of the duty to take reasonable care not to make a misrepresentation, we will let you know our reasons and the information we rely on and give you an opportunity to provide an explanation.

In determining if there has been a breach of the duty, we will consider all relevant circumstances.

The rights we have if there has been a failure to comply with the duty will depend on factors such as what we would have done had a misrepresentation not been made during your application process and whether or not the misrepresentation was fraudulently made.

If we decide to take some action on your cover, we will advise you of our decision and the process to have this reviewed or make a complaint if you disagree with our decision.

GUIDANCE FOR ANSWERING OUR QUESTIONS

When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question that we ask you.
- Do not assume that we will contact your doctor for any medical information.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it or check with us.
- Review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and make corrections if needed) before the application is submitted.

OTHER IMPORTANT INFORMATION

Your application for cover will be treated as if you are applying for an individual 'consumer insurance contract'. For this reason, the duty to take reasonable care not to make a misrepresentation applies.

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

It's important that you understand this information and the questions we ask, so if you have any queries please contact us.

If the occupation classification you have selected in this form is different from what we have recorded for you, your occupation classification will be updated effective from the date we receive a decision on your application from our Insurer (even if your application is declined). This may change how much you pay for any new and existing insurance cover you have, and your eligibility for cover in the future.

If we're unable to process this application form, we won't update your record with the occupation classification you've selected.
